Who We Are

Jobs for Mums is a social enterprise connecting talented individuals with forward-thinking employers offering flexible, family-friendly work. We aim to break employment barriers by creating sustainable job pathways that help individuals thrive both at home and in the workplace.

With New Zealand facing a critical talent shortage, we're unlocking the largest untapped workforce—parents and caregivers—recognising their skills and potential to bridge workforce gaps. By partnering with us, businesses can access skilled talent while supporting equitable opportunities. Together, we create a thriving environment where families and businesses succeed.
